**TABLE A-4 (continued)**  
**1990 Census of Population and Housing**

<sup>1</sup>Includes persons of other races and persons with two or more races. The individual race categories may add to more than the total population because people may be included in more than one category.

<sup>2</sup>The 1990 Census asked if respondents were of Hispanic or Not-Hispanic origin. This is a question of Ethnicity, not Race. As a result, the reported Hispanic numbers are not included in the total numbers for Race but shown as part of the Census Data collected.

<sup>3</sup>Housing Units not owner-occupied or renter-occupied are vacant
